Dear Sir,

We confirm having used Birla Aerocon Blocks (Autoclaved Aerated Concrete Blocks), Thin Bed Jointing Mortar by HIL Limited in our Metro Grande Luxuries Project, Kalyan (Maharashtra) which is a Luxury Residential Building and very prestigious project of West Pioneer Properties India Pvt. Ltd.

We found various features of Birla Aerocon Blocks such as Faster Construction, Energy Efficiency, Sound & Thermal Insulation properties etc. to be beneficial to us. We have derived saving in usage of water and labour while using Birla Aerocon Blocks. We have also observed that Birla Aerocon Blocks are of consistent quality.

We wish you all the success in your future endeavours.

With Best regards,

For West Pioneer Properties India Pvt Ltd.

  
Mr. Prasad Sanjeev Mulherkar
