Kind Attn: Mr. T. Murali, AGM (Technical solutions)

Sub: Birla Aerocon Blocks & Birla Aerocon Blocks. Jointing Mortar

Dear Sir,

We confirm having used Birla Aerocon Blocks (Autoclaved Aerated Concrete Blocks) manufactured by HIL Limited in our **Nivee Gardens** Project in Hyderabad.

We found various features of Birla Aerocon Blocks such as Faster Construction, Energy Efficiency, Sound & Thermal insulation properties etc. to be beneficial to us. We have derived saving in usage of water and and labour while using Birla Aerocon Blocks. We have also observed that Birla Aerocon Blocks are of consistent quality.

Birla Aerocon Blocks Jointing Mortar

We confirm that in the above project we used Birla Aerocon block jointing mortar . We found faster construction, good bonding strength and saving water curing.

With Best regards,

For Nivee Property Developers Pvt Ltd.

Mr.N V Reddy
